

APSEC 2006 in India

13th Asia-Pacific Software Engineering Conference (APSEC '06) Dec. 6-8, 2006, Bangalore, India

CALL FOR PAPERS

The **XIII Asia-Pacific Software Engineering Conference (APSEC)** will be held in Bangalore, the IT capital of India. APSEC is the leading conference in software engineering and technology in the Asia-Pacific region. APSEC 2006 will bring together researchers and practitioners from industry, academia, and government to share the challenges faced by different organization in this region. The theme of the conference is **Component Based Software Development**. Papers presenting original work in all aspects of software engineering are invited. Special sessions will be held for **Industry Practices**, to cover the cutting-edge industry practices. Submission topics include, but are not limited to, the following:

- *Component Based Software Engineering*
- *Empirical Software Engineering and Metrics*
- *Sw Performance Engineering*
- *Requirements Engineering*
- *Agile Methods*
- *Software Architecture*
- *Software Engg with Computation Intelligence*
- *Software Outsourcing*
- *SE Education*
- *Service oriented architecture*
- *Software product line engineering*
- *Formal Methods*
- *Software Process Improvement*
- *Project Management*
- *Reverse Engineering*
- *Maintenance*
- *Quality Management*
- *Object-Oriented Technology*
- *Testing & Program Checking*
- *SE Knowledge management*
- *Distributed software development*
- *Others*

Important Dates

Abstract Due	June 25, 2006
Paper submission	July 1, 2006
Notification of acceptance	August 25, 2006
Camera ready copy due	September 22, 2006
Conference	December 6-8, 2006

Paper Submission

Paper submissions will be reviewed and evaluated based on originality, technical quality, and relevance to conference. All submissions must be prepared in IEEE format. (instructions at : <http://www.computer.org/cspress/instruct.htm>). Submission of papers will be carried out electronically via the Web in PDF or postscript format. After acceptance, the authors will be asked to prepare a six-page paper (but not to exceed eight pages) for inclusion in the proceedings of the conference.

Conference Committee

General Chairs: Prof K. V. Nori, TCS, Hyderabad, India

Mr P. Kumar, CEO, Vmokshta, Bangalore, India

Program Chair: Prof Pankaj Jalote, Indian Institute of Technology Kanpur, India.

For Inquiry

More information about APSEC2006 will become available at:
